Contains the campaign and the three add-on missions. Advanced Warfare is a science fiction first-person shooter video game developed by Sledgehammer Games, and published by ActivisionÂ . Call Of Duty: Modern Warfare 3 WTF | Buy Getting Call of Duty: Modern Warfare 3 working without a dedicated server is an unbelievably daunting task. The most annoying thing for any dedicated server player is to be disconnected from the game when the dedicated server goes down. That may sound like the player must have done something wrong or the game is faulty, but is actually because of PSN getting overloaded with the influx of players trying to connect to the server at the same time.
