## 720p Dual Audio Movies Guardians

together, peter and the other guardians begin a mission to retrieve the orb. along the way, they encounter another group of space adventurers known as the sovereign, who are also searching for the orb. a battle ensues between the two groups, with peter leading the guardians against the sovereign. this battle is interrupted when ronan, the leader of the sovereign, enters the fray and kidnaps yondu, as well as peter and the other guardians. after the battle, peter and the others escape the sovereign and discover the orb, which is actually an old toy from peter's childhood. peter is captured by ronan and locked in a container that blasts off into outer space. peter and the other guardians devise a plan to escape the container, and rocket uses a wrench to cut into the container's hull, allowing peter, yondu and the others to escape. the container crash lands on the planet of knowhere, with peter and yondu finding themselves on the home planet of peter's adoptive parents, ego and gamora. they are then brought before ronan, who tells them that they must join the sovereign to save the galaxy from thanos, who has used the power of the orb to do so. peter and the others refuse, and a battle ensues between the guardians and ronan's group, with peter and rocket once again leading the guardians against the sovereign. but the battle is interrupted when the guardians encounter two new villains, drax the destroyer and nebula, who attempt to kill peter and the guardians. peter and the others flee, and a battle ensues between the guardians and the two villains. drax is killed, and the guardians learn that ronan and his group have been defeated. as the guardians are celebrating their victory, however, peter learns that drax and the others had actually been working for thanos, who has used the orb to conquer the universe. 5ec8ef588b
