
Slash It 2 - A Himitsu Exclusive Edition Full ~REPACK~ Crack [Patch]

Slash It 2 is a colorful 2D arcade game. The goal is to press letters, numbers and type words at the right time. Slash It 2 - Himitsu Exclusive Edition. This is a fun arcade game that is probably the funniest of all the games I've ever played.

You have the ability to control from the keyboard, but you can also play with the mouse by hovering over the selection button located in the lower left corner of the screen. Slash It 2 - Exclusive Edition
